11. Danube passenger steamer tied up.
12. Danube passenger steamer tied up.
- B. Oil refinery northeast of Ruse at XH-5880, as of 26 November 1951: 3,4
1. Transformer station.
 2. Oil refinery in two parts, each approximately 500 yards east/west x 100 yards north/south and both apparently working. Western half contains a farm of at least three (relatively small) tanks and what appears to be a continuous distillation unit. Eastern half contains at least four similar tanks and also apparently a continuous distillation unit.
 3. Small jetty with cradle line leading to No. 5.
 4. Earthenware factory.
 5. Sugar beet factory; much of the beets arrive by Danube barge, No. 3.
 6. Three hangars/warehouses on Rumanian bank, served by a total of four jib cranes.
 7. Three storage tanks.
- 25X1 1. [] Comment: This is the heaviest concentration of tank cars ever observed in Bulgaria.
- 25X1 2. [] Comment: [] sketches of the town and 25X1 harbor of Ruse. The sketch of the winter harbor [] varies in many 25X1 particulars from the sketch in this report.
- 25X1 3. [] Comment: No attempt has been made to sketch the Rumanian side of the Danube River; however, No. 6 and No. 7 are in approximate locations.
- 25X1 4. [] Comment: [] 25X1 town plan of Giurgiu, Rumania, and gives detailed locations of the petroleum installations on the Rumanian side of the river.
- 25X1 [] Comment: Grid locations are for the AMS M506 1:250,000 Map Series.
